

Christian Kee Byrnes

I am a self-driven designer who's determined, imaginative, and enjoys a good challenge. My passion for creative storytelling inspires me to improve my craft. With my wide variety of talents and ability to learn quickly, I hope to further develop and grow my creative skillset.

Education

Bachelor's Degree in Graphic Design

North Carolina State University, 2015-2019

Experienced team & solo projects in many fields: photography; image manipulation; video animation and editing; UX/UI for desktop, phone, and watch; product/company branding; publication design; etcetera.

Work Experience

Assistant Manager, September - November 2023

Spirit Halloween.

Managed an in-house team of associates to build & maintain a pop-up storefront for the Halloween season 2023. Involved detailed time management skills, organization and presentation of physical product, coordination of a team, and excellent customer service skills.

eStore Web Project Manager, August 2020 - April 2022

Duke University eStore. eCommerce.

Wide variety of responsibilities in design & project management: maintaining website and social media presence; creating, editing, proofing, and posting retail content; coordinating communication between connected departments; and any other related responsibilities.

Web and Application Designer, July - October 2019

Instancy, Inc. Mixed in-office and WFH work week. eCommerce.

Assisted development of Instancy's eLearning suite. Designed or enhanced UX/UI for new or updated application features, met with clients to brainstorm targeted solutions, acted as a project manager for offshore team of front-end devs in an Agile/SCRUM environment, and conducted minor updates to code in HTML, CSS, and Javascript.

Design Intern, January - May 2019

APCO Worldwide (Raleigh Offices)

Worked under design team in local Raleigh office. Provided creative support for many different design projects, including internal documents, social media content, illustration, & website layout/content design.

Personal Brand/Social Media Experience

Twitch Streamer, May 2022 - Present

Variety & Art Streamer.

Entertains and engages with a growing audience of supporters using gameplay and commentary from a variety of different videogames, as well as streaming my creative artistic process and taking on-the-spot commission requests. Consistent schedule planning and time management, as well as advertising stream schedules and events on social media and creating assets such as slides, effects, and stream layouts.

Freelance Designer & Patreon Creator, July 2019 - Present

WFH designer and illustrator, eCommerce via RedBubble and Patreon.

Maintains a stream of digital illustration or general graphic-design based work through personal and professional clients. Curates a social media presence, including Patreon for writing, illustration, & graphic design projects, as well as a RedBubble for selling personally crafted works as stickers, t-shirts, or other physical artifacts.

Discord Community Organizer and Event Planner, 2016 - Present

Moderator for several different Discord communities.

Coordinates and moderates multiple Discord communities as a moderator, encouraging amicable conversation and engagement within the communities as well as polling for interest and organizing various events. Familiar with the service's moderation tools.
